Council Office, Dublin Castle,
12 March 1878.

Mr. W. J. Corbet to the Resident Medical Superintendent, Limerick District Lunatic Asylum.

Office of Lunatic Asylums, Dublin Castle,
Sir, 10 November 1873.

I AM directed by the Inspectors to state that the attention of his Grace the Lord Lieutenant has been called to the constitution of the Board of Governors of a District Lunatic Asylum in which no authority appeared to exist for an *ex-officio* governor who was acting as a member of the board.

In directing that no claim to act as an *ex-officio* governor should in future be recognised without special authority, his Grace has called on the Inspectors to state if there are any other *ex-officio* governors attached to asylums for whom distinct Orders in Council have not been passed.

I am, therefore, to request you will report accordingly to the inspectors in regard to the constitution of the Board of Governors of the Asylum under your charge for his Grace's information.

I am, &c.

(signed) W. J. Corbet,

The Resident Medical Superintendent,
Limerick District Lunatic Asylum.

Chief Clerk,

The Resident Medical Superintendent, Limerick District Lunatic Asylum, to
Mr. W. J. Corbet.

Sir, Limerick District Asylum, 11 November 1875.

In reply to your Circular of the 10th instant, directing me to report to the Inspectors, for the information of his Grace the Lord Lieutenant, the constitution of the Board of Governors with reference to "*ex-officio*" governors, I beg to state that two of the governors, viz., the Protestant Lord Bishop of Limerick and the Worshipful the Mayor of the City of Limerick, hold their office "*ex officio*".

The Proclamation of his Excellency the Lord Lieutenant, bearing date 18th February 1822, appointed the Bishop, Dean, Archdeacon, Mayor, and Recorder of Limerick, to be governors for the time being.

An Order in Council, bearing date 28th February 1854, appointed the Right Rev. Henry, Lord Bishop of Limerick, Ardfert, and Aghadoe, to be a governor, but I can find no record of any order for the appointment of his successor.

No Order in Council seems to have been issued for the appointment as governors of successive Mayors.

I am, &c.

William J. Corbet, Esq.,
Chief Clerk, Office of Lunatic Asylums,
The Castle, Dublin.

Medical Superintendent.

The Resident Medical Superintendent, Limerick District Lunatic Asylum, to
Mr. W. J. Corbet.

Sir, Limerick District Asylum, 20 November 1875.

HAVING been directed by the Board of Governors to forward your Circular, dated 10th November 1875, to the two "*ex-officio*" governors, viz., the Mayor of the City of Limerick and the Protestant Bishop of Limerick, I beg to forward, for the information of the Inspector, the Mayor's reply.

I am, &c.

PAPERS RELATING TO THE

The Mayor of Limerick to the Resident Medical Superintendent, Limerick District Lunatic Asylum.

The Mayor's Office, Town Hall, Limerick,
19 November 1875.

Sir,

I HAVE to acknowledge the receipt of your letter of yesterday's date, calling my attention to an enclosed copy of a Circular from the Office of Lunatic Asylums, Dublin Castle, dated the 10th instant, intimating "That the attention of his Grace the Lord Lieutenant has been called to the constitution of a Board of Governors of a District Lunatic Asylum in which no authority appeared to exist for an ex-officio governor who was acting as a member of the board, and directing that no claim to act as an ex-officio governor should in future be recognised without special authority."

I have to say that I cannot understand why the right of ex-officio members of the board to act should be called in question now, after such members had been acting for nearly fifty years. Nor can I, without further information, say whether or not I, as Mayor of Limerick, shall claim my right to continue to act.

I shall thank you to furnish me with a copy of any document which authorised the mayor to act, as I must presume that such a document does exist, or the several mayors who have preceded me, since the Asylum was built, would not have been summoned to attend and act as governors.

I am, &c.

E. M. Courtenay, Esq.,
Resident Medical Superintendent, Limerick
District Lunacy Asylum.

Mayor of Limerick.

Mr. W. J. Corbet to the Resident Medical Superintendent, Limerick District Lunatic Asylum.

Office of Lunatic Asylums, Dublin Castle,
23 November 1875.

Sir,

I AM directed by the Inspector to state, in reply to your communication of the 20th instant, enclosing a copy of a letter addressed to you by the Mayor of the City of Limerick, relative to the Circular of the 10th instant on the subject of ex-officio governors, and I am to point out that the Mayor of Limerick for the time being having, amongst others, been appointed under date the 18th February 1822 an ex-officio governor, the Circular does not apply in any way to him.

The Inspectors desire me to express their regret that a misconception has arisen on this subject.

I am, &c.

The Resident Medical Superintendent,
District Lunatic Asylum, Limerick.

Chief Clerk.

MEMORANDUM.

No correspondence passed between the Inspectors and the Asylum Authorities during the year 1876 and 1877 on the subject.

Dublin Castle, 11 March 1878.

(signed) *J. Nugent,*
Inspector of Lunatics.

The Mayor of Limerick to the Under Secretary for Ireland.

The Mayor's Office, Town Hall, Limerick,
15 January 1878.

Sir,

In pursuance of the privilege attaching to the office of Mayor of Limerick since 1822, I attended at the board room of the Lunatic Asylum here on Tuesday last, the 8th instant, as an *ex-officio* governor of that institution, when I was informed by the resident medical superintendent that he had omitted to summon me to the meeting in consequence of an Order of the Privy Council, dated 26 January 1876, which he understood as abolishing the right of the mayor for the time being to act as a governor of the Asylum.

Not deeming the board room the fitting place to maintain this privilege, I withdrew, and now beg leave to submit to you the reasons by which it appears to me that the Order in Council of January 1876 could not apply to the *ex-officio* right of the Mayor of Limerick for the time being.

This question appears to have been previously raised in November 1875, in consequence of a similar misunderstanding of a Circular then issued by the Inspectors General of Lunatic Asylums, to which the Resident Superintendent of the Limerick Asylum replied, that "Two of the governors, viz., the Protestant "Bishop of Limerick and the Worshipful the Mayor of Limerick, hold their "offices *ex-officio*. The Proclamation bearing date the 18th February 1822, appointed the Bishop, Dean, Archdeacon, Mayor, and Recorder of Limerick to be governors. An Order in Council bearing date 28th February 1854, appointed the Right Reverend Henry Lord Bishop of Limerick, Ardfert, and Aghadoe, to be a governor, but I can find no record of any Order appointing "his successor."

This extract appears to mark the distinction under which the *ex-officio* governors named held their appointments, inasmuch as the bishop, in 1854, is appointed by name on the death of his predecessor, clearly showing that he held office as a governor only for life, while the office of mayor, being one which never dies, any more than the corporation under which it is derived and held from year to year, the appointment of the "mayor for the time being" in 1822, was clearly continuous in the person of every successive holder of that ancient office, and was not conferred on any person by name, nor in any terms terminable with his official year.

That this is the correct view of the matter was indeed fully admitted by the central authority, in further correspondence in the same month (November 1875), when the resident superintendent received a letter from the Inspectors General, stating in reply to his inquiry as to the mayor's right, that "relative to the Circular of the 10th instant, on the subject of *ex-officio* governors, I "am to point out that the Mayor of Limerick *for the time being* having amongst "others been appointed under date of the 18th February 1822, an *ex-officio* "governor, the Circular does not in any way refer to him. The Inspectors desire "me to express their regret that a misconception has arisen on this subject."

The right of the mayor having been thus re-affirmed, I find that the gentleman then filling the office accordingly attended, and acted as a governor during the remainder of his official year.

I am, from these facts, led to believe that the Order in Council of 1876 has been misunderstood by the resident superintendent, in like manner as the Circular of 1875; and if this opinion of mine should be considered erroneous, I beg respectfully to be informed what circumstances arose between these periods to induce the Lord Lieutenant to abolish a long-established right of the Mayor of Limerick, and further beg to be furnished with a copy of the Order in Council of 1876, stating under what Act of Parliament it was made.

The ancient Corporation of Limerick are naturally jealous of their long existing privileges, which it appears to have been the policy of recent legislation to maintain and enlarge, rather than to curtail; and I, as the present holder of the office of mayor, am unwilling to have any deprivation of such privileges established in my humble person.

REFFERRING to a letter addressed by me to you on the 13th instant, on the subject of my right, as Mayor of this City, to act as ex-officio governor of the District Lunatic Asylum here, may I request you will be good enough to have it brought immediately under the notice of his Grace the Lord Lieutenant, as the Town Council are desirous that a reply should be got to it.

Sir,

Dublin Castle, 4 February 1878.

WITH reference to your letters of the 15th and 25th ultimo, I am directed by the Lord Lieutenant to transmit to you herewith copy of an Order in Council passed on the 26th January 1876, from which you will perceive that the Privy Council considered it expedient to amend all previous Orders in Council which directed that the holders for the time being of certain offices specified in the said Orders should be entitled to act as governors and directors of District Lunatic Asylums in Ireland.

I am to state, that the Order of the 26th January 1876 is within the powers conferred upon the Lord Lieutenant in Council by the 5th Section of the 1 & 2 Geo. 4, c. 33, and that its effect is, that you cannot in your capacity as Mayor of Limerick act as *ex-officio* governor of the Limerick District Lunatic Asylum.
